

Eye Popping 1

Step 1

Put eyes on right side of the face.
Take 15 pictures

Step 2

Take 1 picture
with the face
squashing down

Step 3

Take 10 pictures
with the face really
squashed

Step 4

Put small popped
eyes on face and
make a dent for a
mouth opening

Step 5

One picture at a time,
quiver the eyes up and
down and the body
left and right. Repeat
for about 30 pictures.
